Chairman Frazier,

Timber Lake School District 20-3 would like to thank you for the Tribal consultation to review our Indian Policies and Procedures and Impact Aid Application on Jan. 21, 2020. In addition, we appreciated the positive feedback concerning our Native American Language class which we recently added. I will share the following concerns/ideas we had discussed with the Timber Lake School Board;

1. It was communicated the need for the community of White Horse to have an activity bus.
2. There was a concern about when school is 2 hours late. Students are standing outside waiting for the bus in cold weather.
3. Chairman Frasier commented on Welcome Back the Wakiya Oyate, Thunder Ceremony which takes place in late March. This information will be communicated with our Native American Club Advisor and our Native American Coordinator.

Sincerely,

Dan Martin

Superintendent
